

# THE CHUTE

**Magnetically Catches Flatware  
Before It Gets Trashed.**

**QUICK LICK™**  
Plate Scraper

The Chute Retrievers and Quick Lick™ Plate Scraper combination reduce flatware costs and save valuable time.

## The Chute Products...

### Save Money

- Retrieve flatware - don't throw it away! On average, between 4 to 12 pieces of flatware are thrown away per shift.
- Powerful magnets hold flatware until it is removed.

### Durable

- High impact plastic design.
- Guaranteed against breakage for 2 years.
- Dishwasher safe.
- Chemical resistant.
- Manufactured in the U.S.

### Easy

- Fit standard size waste containers. (See chart on back)
- Easy to clean.
- Pre-assembled. Ready to use right out of the carton.

### Enclosed Magnet

- Magnetic assembly is completely enclosed.
- Lifetime guarantee on magnetic strength.
